✓ Design patterns are great communication tools. *   2/2

⦿ yes   ✓

◯ no

✓ Design patterns should be methodically and thoroughly used when   *2/2
creating design.

◯ yes

⦿ no   ✓

✓ Good steps that can lead to using a particular pattern: *   2/2

☑ learn them well   ✓

☑ prototype them   ✓

☑ let design evolve   ✓

☑ wait for the right problem   ✓

✓ The goal is not to use patterns that come to our mind, but let patterns emerge from the evolving design.   *2/2

◉ yes   ✓

◯ no

✓ Before we apply a design pattern, we should figure out the design principles that are the guiding forces.   *2/2

◉ yes   ✓

◯ no
